DETAILED ACTION

Allowable Subject Matter

1. Claims 1-17 and 39 are allowed.

Election/Restrictions

1. Claims 18-38, directed to the non-elected species, are withdrawn from further consideration since these claims do not depend upon or otherwise include each of the limitations of an allowed generic claim as required by 37 CFR 1.141. Applicant's comments in the response filed 6/23/04 have been considered. Applicant asserts that since linking or generic claim 39 is allowable then claims 13-38 "ought to be rejoined and allowable as well". This is not persuasive because as stated in MPEP 809, "any claim(s) directed to the nonelected invention(s) previously withdrawn from consideration, which depends from or includes all of the limitations of the allowable linking claim must be rejoined and will be fully examined for patentability. Claims 13-38 neither depend from nor include all of the limitations of the allowable linking claim and therefor will not be rejoined or examined. Applicant's statement made on page 10 of the election of 7/23/04 that "Applicant understands that upon allowance of a generic claim, Applicant will be entitled to consideration of claims to additional species which are written in dependent form or otherwise include all limitations of an allowed generic

claim” is an accurate understanding of the standard being applied at this time.

Conclusion

2. This application is in condition for allowance except for the presence of claims 18-38 drawn to an invention non-elected in the reply filed on 7/23/03 . Applicant is given ONE MONTH or THIRTY DAYS from the date of this letter, whichever is longer, to cancel the noted claims or take other appropriate action (37 CFR 1.144). Failure to take action during this period will be treated as authorization to cancel the noted claims by Examiner’s Amendment and pass the case to issue. Extensions of time under 37 CFR 1.136(a) will not be permitted since this application will be passed to issue.

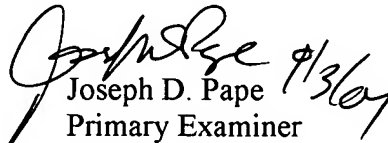

The prosecution of this case is closed except for consideration of the above matter.
